REMARKS

A review of the specification and claims post receipt of the Notice of Allowance and Fee Due form revealed the need for further amendments to the specification. Specifically, Applicants have amended the Detailed Description of the Drawings to reflect the numbers used in the drawings for cross-section lines. Entry of the above amendment is respectfully requested. The amendments presented herein are fully supported by the application as originally filed. No new matter has been entered.

Since the present amendment relates to matters of form only, and does not require any further search on the part of the Examiner, it is respectfully submitted that it is proper for entry and such entry is requested along with a Notice of Approval of the amendment.

Respectfully submitted,

TOM GARRISON and ROBERT ANDERSON
